Brothers & Sisters in Christ,

Tim and Julie Groff and their family have recently been accepted by Eastern Mennonite Missions to serve a long-term assignment in Belize. Their initial assignment lasts four years, but for them, that is just the beginning! They will be serving in a support role to a Garifuna church and leaders in the Dangriga area.

This comes as no surprise for those of us who know the Groffs. We have gathered as a support team for Tim and Julie and their family to help them prepare and fulfill this long-term assignment. Our task is to raise prayer and financial support for them, and to keep you—family, friends and other partners—informed of their work and ministry.

We ask you to pray and seek God for how you can be involved in Tim & Julie's ministry in Belize. Missionaries need a lot of support!

As you consider partnering with us we suggest one (or more) of the following ways:

1) **Sponsorships:** The Groff's budget is set at roughly \$8000 / month and we're looking for partners who can pledge a yearly sponsorship. This could come through your mission budget or from individuals or small groups within your congregation who would like to share our vision.

2) **Partnerships:** We can open our budget to your team and let you identify a portion of it that you'd like to help us raise. Through dinners and other fundraiser efforts, you could help us cover items in the Groff's budget like travel, health care, children's education, or retreat costs.

3) **Events:** Maybe your church would like to host an annual event for us. Help us organize an event with your congregation and we'll provide some input about the vision of our mission and how the Groffs are doing while they're on the field.

Sincerely,

Garth & Sally Conley
